- ◆ Instructions for completing the 2010 Application for Admission
- ◆ Disability Service contact form

If you have a disability...

The University of Tasmania welcomes students who have a chronic health condition or disability and recognises that you may require assistance to access the learning environment. The University's Disability Service assists students with disabilities to participate fully in University life. This includes ensuring that individual learning and assessment requirements are met in a fair and equitable way.

Services include:

- communication with academic staff
- making study materials accessible
- use of the disability resource centre, and
- loan of specialised equipment

This is an invitation to establish early contact with the Disability Service in order to provide the University and yourself with time to plan for any services that you may need.

THIS SERVICE IS CONFIDENTIAL

Section A – Personal Details

Where applicable, fill in your Year 12 Student Number (including interstate applicants), AMC Student Number, International Baccalaureate Number and/or your University of Tasmania Student Number. Postgraduate applicants are not required to provide their Year 12 Student Number.

- 1 – 4** Enter your given names and family name.
Former names: Where qualifications listed elsewhere on your form were obtained under a different name, you must submit certified evidence of name change with this application (e.g. marriage certificate or statutory declaration).
- 5 – 7** Enter your date of birth (dd/mm/yy), your age at 1 March 2010, and your gender.
- 8 – 12** Enter your preferred address for receiving correspondence. If you change your address after lodging this form please advise Admissions.
- 13** Tick the box which most appropriately describes your citizenship status i.e.
- Australian citizen – if born overseas you must attach a certified copy of either your Australian passport, Certificate of Citizenship by Descent, or Certificate of Australian Citizenship.
 - New Zealand citizen – you must attach a certified copy of your New Zealand passport, or New Zealand Citizenship Certificate
 - Permanent Resident – you must attach a certified copy of your Visa
 - Permanent Humanitarian Visa holder – you must attach a certified copy of your Visa

Please note

If your citizenship status is none of the above you should not complete this form. Please contact the International Students Office (Ph (03) 6226 2706 or <http://www.international.utas.edu.au>) for information on admission requirements.

- 14 – 15** If you were born outside Australia, please enter the name of the country in which you were born. Please enter the date (dd/mm/yy) you first arrived in Australia. Please enter the date (dd/mm/yy) you were granted permanent residence.
- 16** Do you speak a language other than English at your permanent home residence? If yes, enter the name of the non-English language that is spoken most often.
- 17** If you are of Aboriginal or Torres Strait Islander origin mark relevant box YES. For persons of both Aboriginal and Torres Strait Islander origin, mark both boxes YES.

- 18** Enter the semester in which you are applying to commence. Semesters are 1, 2, or SU for Summer School.
- 19** Enter F (full-time) or P (part-time). This is for statistical purposes only and will in no way affect your chance of selection or commit you to the answer you give.

Section B – Course Preferences

20 a – b Undergraduate applicants

You can list up to four (4) course preferences. A course is the degree you want to study – do not enter unit or subject codes. Please check carefully the Undergraduate Course list which shows the course code, name and campus at which it is taught.

List the courses for which you are applying in order of preference (1 is the most preferred course). When choosing your preferences, check that you are able to satisfy prerequisites for the courses. Course prerequisites are listed under course details at <http://www.studentcentre.utas.edu.au/courses>. Do not list a course for which you would not accept an offer.

- 20 c** Please select the admission code which best matches your highest level of education (see page 5). Start at the top of the list and stop at the code which most aptly describes the basis on which you seek admission to the course.

Enter your UMAT number if applying for Medicine. Enter your language if applying for the Diploma of Languages. Indicate your area of study and principal instrument or voice if applying for the Conservatorium of Music. Enter your Study Plan details if applying for the Bachelor of Teaching.

20 a - b Postgraduate applicants – see page 19

You can list up to three (3) course preferences. A course is the degree you want to study – do not enter unit or subject codes. Please check carefully the Postgraduate Course list which shows the course code, name and campus. Courses indicated with an asterisk have specialisations.

Enter your language if applying for the Diploma of Languages. Indicate your area of study and principal instrument or voice if applying for the Conservatorium of Music.

21 a – c Postgraduate applicants – see page 19

Please indicate, the campus, school or faculty and your proposed specialisation or preferred field of study. Specialisation codes are listed with the Postgraduate Course list on page 19.

Undergraduate Admission Codes (20 c)

Code	Description
14	You expect to complete TCE/Year 12 at school in 2009 – or – have previously completed year 12 and have undertaken NO FURTHER STUDY
18	You are applying for admission to a Visual or Performing Arts course (whatever your qualifications, except for applications for the Bachelor of Fine Art/Bachelor of Visual Communications in Hobart where you have completed or expect to complete Year 12 in 2009, use code 14 in this instance)
01	You were enrolled prior to 2009 at the University of Tasmania and wish to re-enrol in the same course after a withdrawal or intermission
11	You have completed or expect to complete a University or CAE higher education award in or prior to 2009 (this does not include TAFE)
12	You have been or are enrolled in a university course or CAE higher education award but have not completed and do not expect to complete in 2009 (not TAFE). Includes applicants who wish to transfer from one University of Tasmania course to another
22	You have completed or expect to complete a TAFE award course other than a secondary education course (Australian or overseas equivalent)
23	You have an incomplete TAFE award course other than a secondary education course (Australian or overseas equivalent)
16	Mature age or special entry
19	Relevant employment experience
20	You are applying on the basis of a professional qualification
15	You have completed or expect to complete a Year 12 program at a TAFE college in 2009 (not usual in Tasmania)
29	You do not fit any of the listed codes. Please submit all relevant documents and an explanatory note

Section C – Educational Background

21 Undergraduate applicants
Please enter the details of your secondary education. Indicate for Years 10, 11 and 12 the year study was undertaken, name of the school/college you attended and the state or country where the school/college is located. If you left before Year 10 or repeated a year please indicate. Please enter your Year 13 details if applicable. If you completed the International Baccalaureate please indicate 'Y' in the box.
Year 12 applicants should proceed to question 27.

22 a You must supply details of all post-secondary education you have undertaken including 2009 study. Refer to **Section E – Documents** for details of documents required (vii)

Please indicate whether the post-secondary courses you have studied were completed or not.

22 b – e Enter the institution where you studied, the title of the course, the year you started and last enrolled in the course, and your student number. Please note it is essential to include this information for all post-secondary study undertaken including any previous study at the University of Tasmania.

23 If you are currently enrolled in a course, indicate whether or not you are sitting for exams at the end of this academic year.

24 If you are currently enrolled in a course, indicate whether or not you expect to complete the course this year.

25 Please indicate whether or not you have ever been excluded from a course in the past. If you answer yes, you should explain in your supporting statement addressing the selection criteria the reasons for your exclusion and why you feel you should now be re-admitted to a course.

26 Indicate here whether you wish to apply for credit for previous studies. If you do wish to apply for credit for units passed at another tertiary institution or experience, submit an Application for Credit available online under Forms and Files at <http://www.studentcentre.utas.edu.au/admissions/>.

To ensure prompt assessment of your credit application, you must send with your 2010 Application for Admission the following supporting documentation:

- unit/subject outlines or a syllabus. Outlines should comprise: 1) a description of the unit from the relevant year Handbook; (2) weighting/credit point value; (3) assessment e.g. exam (70%), practical work (30%); and (4) teaching pattern e.g. Semester 1 with 3 hour lectures

- and 1 hour tutorial per week; and
- a copy of the other institution's course structure for the same degree e.g. BA. The course structure should advise of the other institution's credit point/weight system (e.g. to complete a BA degree at Uni of Tas, students will enrol in units totalling 100% weight in each year of the three year course (total 300%)).
 - Applicants to Australian Maritime College (AMC) seafaring courses who are requesting Credit (i.e. exemption) should provide certified copies of any STCW95 Short Course Certificates and Certificates of Competency (including endorsements).

Section D – Educational Level of your parents or guardians

27,28

These questions are about the highest level of education completed by your parents or guardians. The Australian Government Department of Employment, Education and Workplace Relations requires this information to be collected for statistical purposes. It will not be used by the university in the assessment of your application for admission. **Year 12 applicants should proceed to question 31.**

Section E – Documents/Additional Info

29 What documents do I need to supply with my application?

Year 12 applicants	We are usually able to access your Year 12 results electronically and you do not need to provide them. If for any reason we are unable to obtain your results, you will be contacted by the Admissions Office.
Non-Year 12 applicants	Those seeking admission without completion of prior academic study (University or TAFE Cert III or above) must complete a supporting statement addressing the selection criteria. See Section I) Where non-Australian university post-secondary study has been undertaken, e.g. TAFE or overseas studies, you must provide certified transcripts of results of that study.
Applicants to Australian Maritime College seafaring courses	Applicants who intend to use their qualification to undertake Australian Maritime Safety Authority Orals to gain a Certificate of Competency should visit www.amsa.gov.au to check seetime requirements detailed in Marine Orders Part 3. Please provide certified copies of any STCW95 Short Course Certificates and Certificates of Competency (including endorsements) for which you are requesting Credit (exemption).

It is essential that you supply the correct documentation in support of your application. Applicants who do not meet the University's general entry requirements (see the Admission Guide) must include a supporting statement addressing the selection criteria.

The onus for the provision of documentation rests with the applicant. You may be asked to produce original documents if you receive an offer of a place. Where this is the case your offer will make it clear that your place is provisional until the required documents have been sighted.

As assessment of applications begins immediately after the closing date, complete documentation must be submitted with your application form. Applications which do not include the required documents will be placed on hold and assessed as late documents are received. In such cases it is your responsibility to send us the transcript of your 2009 results as soon as it becomes available. The transcript should be clearly marked with your full name and date of birth.

All applicants must comply with the following:

- If you have changed your name since you undertook previous study we will need certified evidence of the name change, e.g. a marriage certificate or statutory declaration.

- If your documents are not in English you must provide an officially certified translation together with certified copies of the original documents. Translations based on photocopies are not acceptable.
- Applicants born outside Australia who have become Australian citizens or New Zealand citizens, or who hold either Permanent Residency or Humanitarian Visas, must supply a certified copy of their citizenship, certificate, passport or visa documents.
- All documents must be either originals or copies of originals certified by a Commissioner of Declarations, a Justice of the Peace, a university or college Registrar or other recognised examining authority and must be submitted with the 2010 Application for Admission (except for 2009 non-Australian tertiary results which must be forwarded as soon as available). **Note: Your original documents will not be returned unless you enclose a stamped self addressed envelope.**

To ensure your documents are correctly matched to your application, clearly mark your name on each page. Staple documents once only in the top left corner. Academic transcripts and visa/citizenship documentation must be certified (colour copies are not necessary).

You also need to supply documents if you:

- Are seeking entry as a non-year 12 applicant and do not meet the general entry requirements detailed in the Admission Guide, in which case you must provide a supporting statement addressing the selection criteria. If you have been excluded from any course, at any time, it is important that you also include an explanation and evidence of subsequent academic rehabilitation in your supporting statement.
- Have undertaken any TAFE study whether completed, incomplete or current.
- Have changed your name since undertaking the study for which you are supplying documentary evidence.
- Have completed the International Baccalaureate but have not authorised the IB Organisation to forward results directly to us, or other overseas qualifications.

Please note: A number of courses require specific documentation and/or a portfolio of work or attendance at an interview or audition. Applicants for courses in Visual and Performing Arts will be advised by the relevant school of portfolio/audition requirements. Visual Art applicants that are asked to attend an interview should bring original work or digital images if the work is too large or delicate to transport. Interstate applicants for fine arts/design courses are requested to supply, a portfolio of between 12 and 20 images (digital images or photographs) representative of current work. Video tapes, films, photographs, CDs or similar materials may be submitted; all should be sent by registered mail labelled with name, date, dimensions and medium to the Tasmanian School of Art. Interstate applicants should attach a brief statement of their visual arts interests to their 2010 Application for Admission, and a letter of recommendation from a visual arts teacher would also be helpful. Applicants are discouraged from sending large pieces of work.

30 Academic transcripts

If you are sending copies of academic transcripts from TAFE or an overseas university they must be certified as a true copy of the original by a Commissioner for Declarations, a Justice of the Peace, a university or college Registrar or other recognised examining authority.

Academic transcripts must show all subjects attempted, grades achieved (including failures) and awards conferred. Please do not send semester or annual result slips.

The University does NOT require the following documentation:

- Year 12 TCE/HSC results from Tasmanian applicants who undertook their studies after 1983;
- Year 12 results from interstate applicants who undertook their studies after 1991;
- Academic records for study at an Australian university. If you studied at another Australian university we will, in most cases, obtain your record electronically (as authorised by you in the Declaration on the 2010 Application for Admission). If we cannot obtain your record electronically we will contact you requesting a certified copy;
- Semester or annual result slips;
- Personal or character references, photographs, psychological or intelligence test assessments, course outlines or curricula (unless applying for credit), examples of work (except for Visual and Performing Arts); or
- Evidence of your date of birth with your application.

Section F – Tasmania Scholarships

- 31 Please indicate whether or not you have applied for a Tasmania Scholarship. For more information refer to the Tasmania Scholarships at <http://www.studentcentre.utas.edu.au/scholarships/>.

Section G – Declaration

You should read the declaration and MUST sign before sending it to the University. Applications with unsigned declarations cannot be processed.

Section H – Application Checklist

Have you...

- completed all relevant questions on the application form?
- indicated your citizenship status?
- listed your course preferences?
- indicated your area of study if applying for Music?
- submitted a portfolio if applying for Fine Arts from interstate?
- completed the supporting statement if required (non year 12 applicants)?
- attached any documentation required (eg. assessment of credit)?
- told us about any disability related needs that you may have (see page 2)
- signed and dated the declaration?

If you need to complete a supporting statement, or provide other documentation, please ensure that you send it to the Admissions office as soon as possible. To ensure your documents are correctly matched to your application, clearly mark your name on each page. Staple documents once only in the top left corner. Academic transcripts and visa/citizenship documentation must be certified (colour copies are not necessary).

If you would like confirmation of receipt of your application by post, you should enclose a stamped self addressed envelope with your application. This will be mailed to you once your application is received.

Do not fax your application. The University requires all applications to be submitted either online or on the original forms as your signature is required on the declaration. The only occasion that you may use a fax is if you think your application may be late. In this case you should send us a fax to indicate that your application has been posted by Priority Post before the closing date. In this way your application will be treated as 'on-time'.

If you have completed the application form as per the above checklist, send your application to:

Section I - Supporting statement – Selection criteria

Undergraduate applicants

You may be required to provide a supporting statement with your application if you are not a Year 12 applicant. This may be completed as part of the online application or submitted separately. Applicants who are required to submit a supporting statement must address the first 4 sections listed below. If you are including a resume that provides all the information asked for in sections 1 and/or 2, you do not need to respond to those sections again.

Postgraduate applicants

Postgraduate applicants will be required to complete a supporting statement, however one is not required for Honours, Master of Architecture or Graduate Diploma in Legal Studies if the undergraduate studies were completed at UTAS. All other postgraduate applicants should submit a supporting statement.

Applicants are expected to write their own supporting statement.

Please note

Failure to provide a supporting statement may delay the assessment of your application.

Academic Background

- Include here additional details of your educational background not previously provided – e.g. professional development, first aid certificate, other vocational education.
- Include details of all course(s) undertaken whether they are in similar or different areas to the course(s) applied for in this application. Indicate whether the course(s) has been completed or not.
- If you have unsuccessfully attempted university study, or have been excluded from a course or institution previously, provide a brief statement detailing the reasons why you wish to recommence study.

Employment Background

- Provide concise details of your employment history including the nature of duties, the level of responsibility and the length of time in each position.
- Include details of all positions whether they are in similar or different areas to the course(s) you are applying for, but emphasise anything that is relevant – e.g. child care worker applying for Education.

Knowledge & Skills

- Describe the practical skills you have gained through experience or study in a particular field. This does not have to be related to the course(s) you have applied for, and may include community work, voluntary service or hobbies.

- Provide information about any specialist knowledge you may have developed through experience or study in a particular field.
- Describe your communication and interpersonal skills and how they may assist you in your studies.

Demonstrated Interest

- Explain why you are interested in undertaking the course(s) and how you developed your interest.
- Include information about how you have prepared for university and what your career plans and goals are on completion of the course.

Equity or Special Consideration (if relevant to you)

Please provide concise details of any factors or circumstances which you feel may have limited your opportunities for education or access to a university, e.g. restricted educational opportunity, disability, health conditions, indigenous or non English speaking background.

Applying by paper

The following section will give you advice on areas relating to the use of a paper application and should be read in conjunction with How to apply Online for further information.

Change of course preference

If you wish to change your course preference you should send a written request to the Admissions Office, Private Bag 45, Hobart, TAS 7001, or email studentcentre@utas.edu.au from the email address you provided at the time of application.

Change of address

If you change your address after lodging a paper application form, it is most important that you advise the Admissions Office either in writing, by email (from the email address you provide at time of application), or verbally. If verbally, verification of your identity will be required.

Note 1 - Students wishing to study Architecture must complete a Bachelor of Environmental Design (Architecture) before proceeding to the Master of Architecture.		
Note 2 - There are a limited quota of places for entry into the Bachelor of Psychology. Therefore, students are strongly advised to indicate alternative course preferences, particularly since Psychology may be studied as part of other degree programs, e.g. Bachelor of Science, Bachelor of Arts.		
Note 3 - Students wishing to combine studies in both science and engineering normally complete a first year in engineering.
