

Quick Guide to Admission and Enrolment for *UTAS College Program*

Read the UTAS College Handbook

- Your school/college will have a hardcopy of the Information Handbook for Students or you can access a copy online from www.utas.edu.au/utas-college/college-co-delivery.

Discuss

- You need to discuss your options with your school/college and your parent/guardian(s). Your school/college will assess your eligibility to apply and enrol in a program.

Choose

- Choose the program you wish to study.

Apply

- Complete the Application and Enrolment form online from www.studentcentre.utas.edu.au/enrolments/forms_files/. Print it out for signatures. You need to sign it and your parent/guardian needs to sign it.

School/College Approval

- Take the completed and signed form to your teacher. Your teacher needs to approve your application and sign the form before sending it to UTAS

UTAS Approval

- After the application has been approved by UTAS, students will be enrolled in their program, units and semester

UTAS Confirmation

- UTAS will send you enrolment advice and account details. Go online to eStudentCentre, check your details and confirm your enrolment is correct and complete.
