

Withdrawal Dates for 2011 Academic Year

All withdrawals after the unit census date will incur financial liability however a student may withdraw from a unit without academic penalty depending on the date of withdrawal and provided the date of withdrawal is up to and including the end of the week in which 50 percent of the teaching period for the unit is completed.

The following table shows the withdrawal dates where financial and academic penalty may occur for 2011. **Note:** While the majority of semester 1 and 2 units fall within the date ranges indicated below always check the [Course and Unit Handbook](#) for exact dates.
